PathCare supports mandatory vaccination as we believe we should be accountable in safeguarding the health and the wellbeing of all employees, patients, clients and visitors who access our facilities as well as for the protection of our families and all South Africans at large. In support of this stance, please note the following:

- PathCare has implemented a mandatory vaccination policy.
- All new employees will need to provide a copy of their vaccination certificate as proof or alternatively proof of their first vaccination prior to appointment and proof of the second vaccination prior to the completion of their probation period.
- Should any candidate have a valid medical reason as confirmed by an appropriately qualified medical practitioner and/or firmly held cultural/religious beliefs for not having the vaccination this needs to be declared upon your application for the position and will require additional motivation as per the exemption process defined in the COVID Mandatory Vaccination Policy. Further consideration to this may be given and exemption may apply, depending on the validity of the reason(s) provided as per the COVID Mandatory Vaccination Policy.
- Should Booster Vaccinations be required in the future, this will also be deemed mandatory as per the policy.
- Should you not be able to comply with the above, your application may not be successful in this process.
